## REGISTRATION

### Conditions of Registration

There are a few things you should know about your registration:

1. Once paid, the conference fee cannot be refunded. If you cannot attend the conference due to serious personal or health reasons, you can:
  - a. send someone else to the conference instead of you
  - b. save the fee for the very next P.A.R.K. Conference

In both cases please inform us the day before the conference at the latest.

2. Receipts of payment can be sent by email to the participants upon request.

3. Force Majeure

In case of government restrictions because of Covid-19 or other force majeure events, we will keep your registration for a future event.

Please contact us at [konference@zkouskypark.cz](mailto:konference@zkouskypark.cz) if you have any questions.

### Late Registration

Should there be any places left, last minute registration for the conference will be open on the day from 8:00 am and will cost 790 CZK.

## Covid-19 Measures

We believe we can organise a safe enjoyable conference on 2 April 2022.

In November 2021, we were able to successfully organise the 26th P.A.R.K. Conference following the Covid-19 measures that were in place at that moment. We had around 280 people on site who enjoyed a great event.

As you know the situation regarding the pandemic changes regularly and we cannot predict what the rules and regulations will be in April 2022.

During the next weeks, we will monitor the situation and check with the authorities what is needed to organise a safe conference. We will update you on the measures in the week before the conference.

---

## SESSION SIGN-UP

At registration you will have signed up for 3 sessions. It is a good idea to print the registration email and to make a note of which room they are in.

Last minute registration will be open from 8:00 on the day at the conference venue and will cost 790 CZK.
