### Cambridge University Press

#### Virtual Meet & Greet

During this session we would like to find out what support you are looking for, and offer you our expertise and advice in order to choose the right textbook for your students.

We will ask you to fill in a short questionnaire and enjoy a fruitful discussion over the Cambridge book offer. We look forward to meeting you virtually over our book display.

Františka Lutterová

**Cambridge University Press** is part of the University of Cambridge. Our mission is to unlock people's potential with the best learning and research solutions. Our vision is a world of learning and research inspired by Cambridge. Cambridge University Press is a world leader in the field of English Language Teaching (ELT) publishing, with titles for teachers and learners of English, covering all levels from kindergarten to university and adult language training. ### Macmillan Education

#### Question Time!

Do you have any questions about teaching Primary or Secondary students?

- how to cater for your student needs
- what materials to choose and how to work with them

Pavla Milerski will be happy to share her teaching experience and will try to help you find answers to any questions on any topic you might have. It is important to support each other, so let us share some smiles!
